Lethal Lemon Bars Addison Moore 2019-02-12 A baker who sees the dead. One too many suitors. And a killer. Living in Honey Hollow can be murder. This is a standalone novel. *A laugh out loud cozy mystery by New York Times bestseller Addison Moore* Each book in the series can be enjoyed on its own but for maximum enjoyment you might want to read them in order.My name is Lottie Lemon and I see dead pets. On occasion I see a once-upon-a human too but mostly it's just cute little furry beasts who have come back from the other side to warn me of their previous owners impending doom. A divorce party. Of all the asinine things I've been asked to cater, this is at the top of the list. And the guests are some of the wealthiest people I've ever met. Everything seems to be going well, but right after the ex-bride and groom make a bonfire out of their legal documents, disaster strikes, and one of my lemon bars just so happens to be in the thick of it. A socialite is murdered right before our eyes, and the blame is quickly pinned on my bakery. I'm going to get to the bottom of this before it ruins me. And while I'm at it, I'm hoping to repair things between Noah and Everett. Lord knows I've already ruined things in that department-perhaps forever. Lottie Lemon has a brand new bakery to tend to, a budding romance with perhaps one too many suitors, and she has the supernatural ability to see dead pets-which are always harbingers for ominous things to come. Throw in the occasional ghost of the human variety, a string of murders, and her insatiable thirst for justice, and you'll have more chaos than you know what to do with. Living in the small town of Honey Hollow can be murder.

But I can sort of see the future-albeit not accurately. And you better believe, I've never let that little detail stop me from prognosticating my way into a pickle. When an old ex springs back into my life, it feels more like a new hex. The mob is closing in on me from every angle, and now I've got a moron on my hands to deal with. To make things worse, a body arrives on the scene. As if that wasn't enough, Shep is feeling homicidal himself. "This series has been incredible from book 1! There is non-stop action throughout and its got tension-filled romance as well. Usually when there is a love triangle, I choose a side and stay there, but with this series I can't decide whose team I'm on. One book, it's hands down team Gage. Then in the next book I'm feeling bad for Logan. Now, even Marshall is growing on me!! Not to mention the suspense, which is KILLING me!" --Wendyrp "This is a must read series...
