*Nothing in Reserve* Jack Lewis 2011 Nothing in Reserve invites the reader to an intimate glimpse of one soldier's journey to Iraq and back. True stories set in wartime, these are not war stories. Jack Lewis offers an unexpectedly vulnerable glimpse into one of the timeless tests men have faced: going to war, and returning home. While the veteran will find honesty and truth within, this book brings a fresh insight to anyone interested in what it is we ask of our soldiers. Early stories give an authentic and often funny glimpse of military life, building to a crisis of self all too common among returning soldiers. Exploring the universal human question of how we move through our lives, acknowledging mortality and pain without becoming lost within it, Jack shares with us his own journey toward elusive redemption.

After V Day and a four-year respite from the military, the United States Air Force recalled this former fighter pilot to active duty to wage a war of words against Russia's Kremlin propagandists who were supporting their proxy forces in Korea.

**The Buy Side** Turney Duff 2013-06-04 NEW YORK TIMES BESTSELLER • A former Galleon Group trader portrays an after-hours Wall Street culture where drugs and sex are rampant and billions in trading commissions flow to those who dangle the most enticements. A remarkable writing debut, filled with indelible moments, The Buy Side shows as no book ever has the rewards—and dizzying temptations—of making a living on the Street. Growing up in the 1980's Turney Duff was your average kid from Kennebunk, Maine, eager to expand his horizons. After trying – and failing – to land a job as a journalist, he secured a trainee position at Morgan Stanley and got his first feel for the pecking order that exists in the trading pits. Those on the “buy side,” the traders who make large bets on whether a stock will rise or fall, are the “alphas” and those on the “sell side,” the brokers who handle their business, are eager to please. How eager to please was brought home stunningly to Turney in 1999 when he arrived at the Galleon Group, a colossal hedge-fund management firm run by secretive founder Raj Rajaratnam. Finally in a position to trade on his own, Turney was encouraged to socialize with the sell side and siphon from his new broker friends as much information as possible. Soon he was not just vacuuming up valuable tips but also being lured into a variety of hedonistic pursuits. Naïve enough to believe he could keep up the lifestyle without paying a price, he managed to keep an eye on his buy-and-sell charts and, meanwhile, pondered the strange goings on at Galleon, where tens of millions were being made each week in sometimes mysterious ways. At his next positions, at Argus Partners and J.L. Berkowitz, Turney climbed to even higher heights – and, as it turned out, plummeted to even lower depths – as, by day, he solidified his reputation one of the Street's most powerful healthcare traders, and by night, he blazed a path through the city's nightclubs, showing off his social genius and voraciously inhaling any drug that would fill the void he felt inside. A mesmerizingly immersive journey through Wall Street's first millennial decade, and a poignant self portrait by a young man who surely would have destroyed himself were it not for his decision to walk away from a seven-figure annual income, The Buy Side is one of the best coming-of-age-on-the-Street books ever written.

**The Trader's Dream** Anna Jacobs 2012-10-11 Bram Deagan dreams of bringing his family from Ireland to join him in Australia, where he now runs a successful trading business. But when a typhus epidemic strikes Ireland, it leaves the Deagan family decimated. And, with other family members scattered round the world, it is left to Maura Deagan to look after her orphaned nieces and nephew. Forced to abandon her own ambitions, and unsure whether she is ready to become a mother to three young children, Maura makes a drastic decision: to join Bram in far-away Australia. They set sail on the SS Delta, anxious for their futures. It is only when a storm throws Maura and fellow passenger Hugh Beaufort together that she realises this journey may also give her a chance to pursue a dream she set aside long ago: to have a family of her own. That is, until someone from Hugh's past threatens to jeopardise everything . . . \*\*\*\*\* What readers are saying about THE TRADER'S DREAM 'Anna Jacobs is the best storyteller bar none!' - 5 stars 'A wonderful book . . . **The Trader's Reward** Anna Jacobs 2014-04-24 1871. When Fergus Deagan's wife dies in childbirth, she makes him promise to take their family from Ireland to Western Australia to join his brother Bram, and also to marry again to make sure their children don't miss out on a mother's love. Disowned by her father for becoming pregnant, Cara Payton bears a stillborn baby. She struggles on in deep despair, until a plea to wet-nurse a motherless baby gives her life new purpose. When Fergus proposes marriage, she accepts. She respects him and is happy to stay with the baby she now loves. During the voyage to Australia, she and Fergus draw closer, until her past rears its ugly head and they face a terrible crisis . . . When they finally get to Fremantle, Fergus and Bram, always rivals, struggle to get along. To make matters worse, Bram has financial problems and there is no railway where Fergus can find engineering work. Can the two brothers solve their problems? And will the newcomers find a way to build a new life? \*\*\*\*\* What readers are saying about THE TRADER'S REWARD 'An excellent book, and series, that I couldn't put down. **Taliban Narratives** Thomas H. Johnson 2018-02-01 Why has the Taliban been so much more effective in presenting messages that resonate with the Afghan population than the United States, the Afghan government and their allies? This book, based on years of field research and the assessment of hundreds of original source materials, examines the information operations and related narratives of Afghan insurgents, especially the Afghan Taliban, and investigates how the Taliban has won the information war. Taliban messaging, wrapped in the narrative of jihad, is both to the point and in tune with its target audiences. On the other hand, the United States and its Kabul allies committed a basic messaging blunder, failing to present narratives that spoke to or, often, were even understood by their target audiences. Thomas Johnson systematically explains why the United States lost this "battle of the story" in Afghanistan, and argues that this defeat may have cost the US the entire war, despite its conventional and technological superiority.

**Lord Haw-Haw** William Joyce 2018-10-22 Along with his later Twilight over England, these two writings by Irish American William Joyce ("Lord Haw-Haw"), first published during his years of activism in Britain prior to the Second World War, sum up in many respects the worldview of this most famous radio propaganda broadcaster in history. Joyce was from its earliest inception an active member of Oswald Mosley's British Union of Fascists (BUF), and easily its best public speaker. After 1937, when he left the BUF, he formed his own organisation, the British National Socialist League (BNSL). It was for the latter organisation that Joyce penned National Socialism Now--his manifesto to the British people on how a National Socialist Britain would be structured. It includes sections on the "meaning of National Socialism," "The menace of Class War and Snobbery," "The National Socialist structure of government," the "Need of economic revolution," "Finance and the people," "Machinery and shorter hours," "Scientific regulation as opposed to Laissez Faire," a detailed discussion on the future of the Empire and foreign policy, the need to use "legal and constitutional methods," religious freedom, and the Jewish Question. Although the BNSL was highly active, it was never allowed the chance to test itself electorally, as the advent of the war--against which Joyce warned in his manifesto--saw the mass arrest of dissidents in Britain and Joyce's exile in Germany. The second essay, Fascism and Jewry, was written as a BUF leaflet in 1935, which describes the attacks on the

BUF by Jews and the organisation's official response. This new edition has been completely reset with a new biography of the author, and has 54 supplementary footnotes to allow the modern reader to understand all the references in the text to events and personalities of the time.
