Irishness and Womanhood in Nineteenth-century British Writing Thomas J. Tracy 2009 Using Lady Morgan's *The Wild Irish Girl* as his point of departure, Thomas J. Tracy argues that nineteenth-century debates over what constitutes British national identity often revolved around representations of Irishness, especially Irish womanhood. He maps the genealogy of this development in fiction, political discourse, and the popular press, from Edgeworth's *Castle Rackrent* through Trollope's Irish novels, focusing on the pivotal period from 1806 through the 1870s.

Historical Dictionary of Ancient India Kumkum Roy 2009 India's history and culture is ancient and dynamic, spanning back to the beginning of human civilization. Beginning with a mysterious culture along the Indus River and in farming communities in the southern lands of India, the history of India is punctuated by constant integration with migrating peoples and with the diverse cultures that surround the country. Placed in the center of Asia, history in India is a crossroads of cultures from China to Europe, as well as the most significant Asian connection with the cultures of Africa. The Historical Dictionary of Ancient India provides information ranging from the earliest Paleolithic cultures in the Indian subcontinent to 1000 CE. The ancient history of this country is related in this book through a chronology, an introductory

Friendship and Work Culture of Women

Managers in Japan Swee Lin Ho 2019-08-08

Drawing on ethnographic data gathered from fieldwork spanning a 15-year period, this book offers new insights into understanding the lives and experiences of women managers in Japan. Based on empirical case studies, it explores the ways in which professional women in Tokyo creatively mobilize their friendships as a strategic site for mitigating the disappointments in their working lives, and conceptualizing new understandings of independence and equality. It analyses their use of language, time, space and money to negotiate new identities in an increasingly flexible work environment. In examining the challenges and opportunities faced by these corporate workers, this book also extends anthropological debates about the changing meaning and importance of work for women, as well as their relationship with money and separation from the realm of domesticity. As a study of women's lives in and out of the workplace in Japan, this book will be of great interest to students and scholars of Japanese studies, Japanese culture and society, anthropology, sociology, gender and women's studies. cholars of Japanese studies, Japanese culture and society, anthropology, sociology, gender and women's studies.

Glossary of Automotive Terms Society of Automotive Engineers 1988 This comprehensive glossary brings together in one handy volume over 10,500 current automotive terms. From "A-pillar" to "Zones of Reach" the Glossary provides you with over 500 pages of alphabetically listed definitions collected from the SAE Handbook. Terms is an essential reference for anyone in the industry.

Hunt Of The Dwarf King Martha Carr

2020-02-27 Hell hath no fury? Wait, that's not right. A pack of hell hounds are terrorizing the magical community, but does anyone know where they came from, or who has hold of their leash? Finn and Penny are asked to hunt the hounds down before anyone else gets hurt, but for a six five dwarf and a pint-sized dragon a pack of hell hounds might be a little above their pay grade. Join your favorite giant dwarf and snarky dragon as they start the hunt of a lifetime. They thought finding lost treasure was difficult, but at least the treasure didn't bite back. Grab a box of Charleston Chews and kick up your feet. This is one hunt you won't want to miss. Scroll back to the top and click "Buy Now" or "Read for Free" to continue the adventure.

For Whom the Book Tolls Laura Gail Black 2020-09-08 In this cozy series debut from Laura Gail Black, Jenna Quinn finds her uncle murdered in his antique bookstore, and Jenna--his primary beneficiary--becomes the prime suspect. Trouble follows Jenna Quinn wherever she goes. Fleeing some unsavory doings in her hometown of Charlotte, Jenna accepts her uncle's gracious invitation to stay with him in small-town Hokes Folly, NC. In exchange, she'll help him out in his antiquarian bookstore. But soon after she arrives, Jenna finds her uncle's body crumpled at the base of the staircase between his apartment and the bookstore. Before the tragedy even sinks in, Jenna learns that she's inherited almost everything her uncle owned: the store and apartment, as well as his not-so-meager savings and the payout from a life insurance policy...which adds up to more than a million dollars. This is all news to Jenna--bad news, once the police get wind of her windfall. An ill wind, indeed, as a second murder cements Jenna's status as the prime suspect in both deaths. Jenna can hit the road again, taking her chances that she can elude trouble along the way. Or she can stick it out in Hokes Folly, take over the bookstore, and try to sleuth out her uncle's killer. On the one hand, she's made some wonderful new friends, and she feels she can thrive in the genial small-town environment. On the other hand, trouble knows her address--and so does the killer, who is determined to write the final page of Jenna's story.

American Kulak Marcus Sagire 2020-01-09 American Kulak offers a warning that socialism is on the rise in America, especially among the young. Marc Sagire makes a compelling case

that every time any form of Marxism has been tried throughout history, it has resulted in economic calamity. Americans are flirting with disaster, and no one will pay the price more than affluent professionals. While among America's higher income earners, the affluent professional lacks the vast resources to defend themselves the way the mega rich can; but they are still well off enough to be a target in the event the American government takes a radical turn towards a Marxist economic system. There is a stark historical precedent for the affluent being persecuted by a Marxist regime. When the Bolsheviks seized power in Russia 100 years ago, an affluent class of peasants known as the Kulaks were specifically targeted for hostile mistreatment by the new Soviet government. It is entirely possible that the American affluent professional class could find themselves in a similar situation in the event America comes to be ruled by a neo-Marxist regime. It has happened before and can happen again. Marc Sagire walks the reader through all the potential avenues that such a regime could take were they afforded the opportunity. The book ends with a detailed discussion of the causes of the current ideological assent of socialism, and offers a series of utilitarian populist reforms that, while certainly not appetizing for the staunch free market advocate, would be preferable to the debasement of a Marxist regime. This book should be on the "must read" list for anyone concerned with preserving America's economic traditions and heritage, as they are very much at stake.

The BIRTHENTINE'S DAY PRESENT R. L. Miller 2012-07 Birthdays are exciting for most children, but Penny was always sad on hers. SPOTS ON, CLAWS OUT!

Pope Francis Mario I. Aguilar 2021-12-31 This volume is about Pope Francis, the diplomat. In his eight years of pontificate, Pope Francis as a peacemaker has propagated the ideas of human and divine cooperation to build a global human fraternity through his journeys outside the Vatican. This book discusses his endeavours to connect and develop a common peaceful international order between countries, faith communities, and even antagonistic communities through a peaceful journey of human beings. The book analyses his speeches, and meetings as a diplomat of peace, including his visits to Cuba and the United States, and his mediations for peace in Colombia, Myanmar, Kenya, Egypt, Turkey, Jordan, Jerusalem, the Central African Republic, Sri Lanka, and Bangladesh. It discusses the role of Pope Francis as mediator in different circumstances through his own writings, letters, and Vatican documents; his encounters with world leaders; as well as his contributions to a universal understanding on inter-faith dialogue, climate change and the environment, and human migration and the refugee crisis. The volume also sheds light on his ideas on a post-pandemic just social order, as summarised in his 2020 encyclical. A definitive work on the diplomacy and the travels of Pope Francis, this volume will be of great interest to scholars and researchers of religious studies, peace and conflict studies, ethics and philosophy, and political science and international relations. It will be of great interest to the general reader as well.

A Biographical Sketch of Thomas Campbell Washington Irving 1810-01-01

Behind the Wheel at Chrysler Doron P. Levin 1996 A Detroit Free Press reporter

demythologizes Lee Iacocca's leadership of Chrysler, demonstrating how salesmanship and self-promotion invariably trumped innovation and investment. "Everyone who cares about american industry should read [this book]" (New York Times Book Review). Index.

AmGov Christine Barbour 2019-02-12 All the fundamentals. No fluff. Learn more with less! A truly revolutionary American Government textbook, Christine Barbour's AmGov: Long Story Short, responds to the needs of today's students and instructors through brevity and accessibility. The succinct ten chapters are separated by tabs that make it easy to skim, flip, revisit, reorient, and return to content quickly. Reading aids like bullets, annotations and arrows walk students through important facts and break up the material in short, engaging bites of information that highlight not only what is important but why it's important. Though brief, this core book is still robust enough to provide everything that students need to be successful in their American Government course. Whether for the on-the-go student who doesn't have time to read and digest a lengthy chapter, or the instructor who wants a book that will stay out of their way and leave room for plenty of supplementary reading and activities, AmGov provides a perfectly simplified foundation for a successful American Government course.

Hard Child Natalie Shapero 2017-04-11 Natalie Shapero spars with apathy, nihilism, and mortality, while engaging the rich territory of the 30s and new motherhood

Station Wagons Byron Olsen Call the kids, grab the picnic basket, and load up the wagon for this colorful salute to the great American family hauler. The entire evolution of the station wagon is examined, from the "depot hacks" that shuttled passengers to their trains in the 1920s to today's popular SUVs and minivans. The

Ezekiel and Daniel Daniel Bodi 2016-01-12

Many today find the Old Testament a closed book. The cultural issues seem insurmountable and we are easily baffled by that which seems obscure. Furthermore, without knowledge of the ancient culture we can easily impose our own culture on the text, potentially distorting it. This series invites you to enter the Old Testament with a company of guides, experts that will give new insights into these cherished writings. Features include • Over 2000 photographs, drawings, maps, diagrams and charts provide a visual feast that breathes fresh life into the text. • Passage-by-passage commentary presents archaeological findings, historical explanations, geographic insights, notes on manners and customs, and more. • Analysis into the literature of the ancient Near East will open your eyes to new depths of understanding both familiar and unfamiliar passages. • Written by an international team of 30 specialists, all top scholars in background studies.
