Tristan Gottfried (von Strassburg) 1984

**The Romance of Tristan** Beroul 2005-03-31 One of the earliest extant versions of the Tristan and Yseut story, Beroul's French manuscript of The Romance of Tristan dates back to the middle of the twelfth century. It recounts the legend of Tristan, nephew of King Mark of Cornwall, and the king's Irish wife Yseut, who fall passionately in love after mistakenly drinking a potion. Their illicit romance remains secret for many years, but the relentless suspicion of the king's barons and the fading effects of the magic draught eventually lead to tragedy for the lovers. While Beroul's work emphasizes the impulsive and often brutal behaviour of the characters, its sympathetic depiction of two people struggling against their destiny is one of the most powerful versions of this enduringly popular legend.

*Lancelot of the Lake* 2000 The early 13th century French romance tells of Lancelot's childhood, his arrival at King Arthur's court, and the flowering of his legendary love affair with Queen Guinevere.

**Tristan** Gottfried (von Strassburg.) 1976

Tristan... Gottfried de Strasbourg 1965

**Tristan and Isolde: Gottfried Von Strassburg** Gottfried 1988-08-01

Tristan und Isolde Gottfried (von Straßburg) 1969

A Companion to Gottfried Von Strassburg's "Tristan" Will Hasty 2003 The legend of Tristan and Isolde -- the archetypal narrative about the turbulent effects of all-consuming, passionate love -- achieved its most complete and profound rendering in the German poet Gottfried von Strassburg's verse romance Tristan (ca. 1200-1210). Along with his great literary rival Wolfram von Eschenbach and his versatile predecessor Hartmann von Aue, Gottfried is considered one of three greatest poets produced by medieval Germany, and over the centuries his Tristan has lost none of its ability to attract with the beauty of its poetry and to challenge -- if not provoke -- with its sympathetic depiction of adulterous love. The essays, written by a dozen leading Gottfried specialists in Europe and North America, provide definitive treatments of significant aspects of this most important and challenging high medieval version of the Tristan legend. They examine aspects of Gottfried's unparalleled narrative artistry; the important connections between Gottfried's Tristan and the socio-cultural situation in which it was composed; and the reception of Gottfried's challenging romance both by later poets in the Middle Ages and by nineteenth- and twentieth-century authors, composers, and artists -- particularly Richard Wagner. The volume also contains new interpretations of significant figures, episodes, and elements (Riwalin and Blanscheflur, Isolde of the White Hands, the Love Potion, the performance of love, the female figures) in Gottfried's revolutionary romance, which provocatively elevates a sexual, human love to a summum bonum. Will Hasty is Professor of German at the University of Florida. He is the editor of Companion to Wolfram's "Parzival," (Camden House, 1999).

**The Spirit of Medieval English Popular Romance** Ad Putter 2014-06-06 The Middle English popular romances enjoyed a wide appeal in later medieval Britain, and even today students of medieval literature will encounter examples of the genre, such as Sir Orfeo, Sir Tristrem, and Sir Launfal. This collection of twelve specially commissioned essays is designed to meet the need for a stimulating guide to the genre. Each essay introduces one popular romance, setting it in its literary and historical contexts, and develops an original interpretation that reveals the possibilities that popular romances offer for modern literary criticism. A substantial introduction by the editors discusses the production and transmission of popular romances in the Middle Ages, and considers the modern reception of popular romance and the interpretative challenges offered by new theoretical approaches. Accessible to advanced students of English, this book is also of interest to those working in the field of medieval studies, comparative literature, and popular culture.

**Tristan** Gottfried (von Strassburg) 1960

**Rules for a Knight** Ethan Hawke 2015 "It is 1483, and Sir Thomas Lemuel Hawke, a Cornish knight, is about to ride into battle. On the eve of his departure, he composes a letter to his four young children, consisting of twenty virtues that provide instruction on how to live a noble life, and on all the lessons, large and small, that he might have imparted to them himself were he not expecting to die on the battlefield. "Why am I alive? Where was I before I was born? What will happen to me when I die? Whatever well our lives are drawn from, it is deep, wild, mysterious, and unknowable..."Rules for a Knight is many things: a code of ethics; an intimate record of a lifelong quest; a careful recounting of a knight's hardest won lessons, deepest aspirations, and most richly instructive failures; and an artifact, a relic of a father's exquisite love. Drawing on the ancient teachings of Eastern and Western philosophy and religion, on literature, and poetry, and on the great spiritual and political writings of our time, Ethan Hawke has written a parable that--in the story of a young man's journey toward a life of authenticity and meaning--captures the instinctive movement of the heart toward truth and beauty. Rules for a Knight has the appeal of Arthurian legend; the economy of Aesop; and the vitality, intelligence, and risk-taking that could only emanate from Ethan Hawke"--

*Arthurian Literature* Bart Besamusca 2007 Essays demonstrating that Arthur belonged to the whole of Europe - not just England.

**Tristan Translated Entire for the First Time with the Surviving Fragments of the Tristran of Thomas Newly Translated** Gottfried Von Strassburg 1960

**Gottfried Von Strassburg and the Medieval Tristan Legend** Adrian Stevens 1990 No description available.

*The American* Henry James 1981-12-17 Henry James brilliantly combines comedy, tragedy, romance, and melodrama in this tale of a wealthy American businessman in Paris. Determined to marry Claire de Cintré, a scintillating and beautiful aristocrat, Christopher Newman comes up against the machinations of her impoverished but proud family in a dramatic clash between the Old World and the New. A co-production with the BBC, starring Diana Rigg, Matthew Modine, and Brenda Fricker.

*The King in the Tree* Steven Millhauser 2007-12-18 A master of literary transformation, Pulitzer Prize-winner Steven Millhauser turns his attention to the transformations of love in these three hypnotic novellas. While ostensibly showing her home to a prospective buyer, the narrator of "Revenge" unfolds an origami-like narrative of betrayal and psychic violence. In "An Adventure of Don Juan" the legendary seducer seeks out new diversion on an English country estate with devastating results. And the title novella retells the story of Tristan and Ysolt from the agonized perspective of King Mark, a husband who compulsively looks for evidence of his wife's adultery yet compulsively denies what he finds. Combining enchantment as ancient as Sheherazade's with up-to-the-minute acuity and unease, The King in the Tree is Millhauser at his best.

**The Romance of Tristan** Renée L. Curtis 1994 The Romance of Tristan tells one of the most moving and influential love stories of world literature: the doomed, uncontrollable, and enthralling passion of Tristan and Iseut, who fall in love after drinking the love potion meant for Iseut and her husband Mark. The prose version, which concentrates particularly on Tristan's life and character, was one of the most widely acclaimed works in medieval Europe, and for a long time the legend of Tristan was known primarily through it, rather than through the poetic versions. The book had considerable influence on European culture; Malory, for example, based Books VIII to XII of his Morte d'Arthur on it. This is the first translation from the Old French of the whole of this important romance. It emphasizes those parts which link the prose romance with the Tristan legend; the sections not concerned with the traditional story are included in synoptic form. The introduction examines the Prose Tristan in the context of the many other versions of the legend and explanatory notes clarify medieval practice, institutions, names, and places, as well as linguistic ambiguities.

Tristan and Isolde Gottfried von Strassburg 2020-09-16 "I believe this fluent, accurate, readable translation of Tristan and Isolde will become the standard English edition of Gottfried's literary masterpiece. Wisely choosing not to recreate the end rhyme of the original, Whobrey has created a text that stays true to the original Middle High German while rendering it into modern English prose. The inclusion of Ulrich von Türrheim's Continuation is a great strength of this book. For the first time, English speakers will be able to read Gottfried's work in tandem with Ulrich's and explore—via Whobrey's discussion of Ulrich's sources—the rich Tristan literary tradition in the Middle Ages and the ways in which Gottfried's achievement resonated well after his death. The footnotes provide helpful cultural, historical, and interpretive information, and Whobrey's Introduction offers a nice overview of Gottfried's biography, a discussion of Gottfried's important literary excursus, his place within the literature and genres of his time, and the source material for his Tristan. Particularly useful is Whobrey's discussion of the intricate and masterful structure of Gottfried's text." —Scott Pincikowski, Hood College

**Iwein** Hartmann Von Aue 1979-01-01 Few stories were as widely known during the Middle Ages as the account of Iwein and Laudine, which appeared in French, Welsh, English, Norse, Swedish, Danish, Icelandic, and two German variants. The older German version, that by the Swabian nobleman Hartmann von Aue, won instant popularity and became a model of form, style, and language for the many courtly epics which his countrymen
